EUROPEAN FEDERATION OF RADIO OPERATED MODEL AUTOMOBILES

Bilbao, 30 May 2022

Hello my friends in the Sport,

1 month has passed since my last letter and we have done 2 important events, the Warm-up of EC A in Barcelos and the VI EFRA European Championship 1/8 EBuggy.

The race reports after those two events will be written soon but now I want to put on paper the important news regarding the IFMAR World Championship of next September at Redovan.

After an IFMAR Meeting held past weekend we have a green light to go forward with the 1/8 IC Off Road Buggy IFMAR World Championship in Redovan Spain. Thanks IFMAR!

We have an OK over the Head Referee that will be Mr. Mark Stitson.

And most important to many of you, we have a green light to distribute more places amongst the European Countries.

There will be another round of distribution of spots in July, most probably by the time of our EC A in Barcelos, but now, today, the possible places go as follows among the European countries:

Austria 3	France 7	Monaco 2	Spain 10
Belgium 3	Germany 7	Netherlands 3	Sweden 7
Croatia 3	Great Britain 7	Norway 3	Switzerland 3
Denmark 3	Greece 2	Poland 1	
Estonia 1	Ireland 2	Portugal 7	
Finland 6	Italy 8	Slovak R 2	

With this EFRA is distributing among the European countries 90 spots to enter the IFMAR World Championship and for sure we will have some more later in July for most of those still pending.

This are good news for many drivers and there will be more news for more drivers.

Later this coming weekend we do have the EFRA International Race of the IFMAR Warm-UP in Redovan, Alicante, you are still on time to enlist yourself.

I am always pleased to bring EFRA such a good news.

With my best regards

Carlos Gomez,

Yours in the sport
