After the flooding in recent weeks, some of the roads connecting the various municipalities in the valley are disrupted.

In agreement with the municipality of Lostallo, movements within the valley are to be carried out via the A13 motorway so as not to create problems for the work of clearing and cleaning up the debris.

So, to go to the petrol station, the route to follow will be as follows.

How to reach the service station:	
From Lostallo to Lostallo: <ul style="list-style-type: none">• follow the A13 highway to the Roveredo exit• take the cantonal road and drive up to Cama• go down the cantonal road to Roveredo and take the A13 highway towards Lostallo	From Bellinzona to Lostallo: <ul style="list-style-type: none">• follow the A13 highway to the Roveredo exit• take the cantonal road and drive up to Cama• go down the cantonal road to Roveredo and take the A13 highway towards Lostallo

All those who will have to go to the petrol station must respect these directives, remembering that we are still in a special emergency situation!!!

The committee of the Mini Racing Ticino and Moesa already thanks everyone for respecting these special rules!!!
