## About?

Miniatuur Racing Club Zwevegem (MRCZ) was founded in 1984 by a group of passionate RC car enthusiasts in Zwevegem, Belgium. The club initially operated on a temporary track but has a permanent location with an indoor track and pit space since 1987.

Over the years, the club has organized various competitions, attracting racers from across Belgium and beyond.

Currently, the club organizes its famous open race, the local Tamiya Cup race, and the 1:10 touring car Belgian Nationals. Since 2022, the club has also been organizing the Masters Of Foam.

Today, MRCZ is recognized as one of the leading RC racing clubs in Belgium, known for its dedication to the sport and vibrant racing community.
